

Roulette: Love Is A Losing Game (Thomas Hunt Series Book 1)

Sex, love, and Las Vegas, Roulette will take you on a thrilling adventure you won't be able to put down. Blonde Alpha-male grad student, Thomas Hunt, is a sexual submissive on the path to discovering his inner-Domme as he falls in love with his Domme. **The first book of The Thomas Hunt Series, Roulette is a modern, steamy erotic novel set in Las Vegas. As a work of romantic erotica, it contains frequent profanity, explicit sexual language, mild BDSM, and graphic sexual situations. It is intended for adults over the age of 18. Full length novel of approximately 65,700 words. Happily ever after ending (HEA) Contains: oral sex, anal sex, spanking, bondage** Taken from a verified purchase review by author RE Hargrave: **** A budding romance. Intrigue. Kinky sex. Murder. Welcome to Las Vegas, and the life of Samantha Drake: lawyer by day, Domme by night. Except that Vegas is the city that never sleeps and it doesn't take long for her two worlds to begin blending. With her defenses locked up tighter than Fort Knox, Sam faces her biggest challenge when she decides to let Thomas Hunt inside her armor. Little by little, she starts relinquishing control to her playful young submissive as he takes his fledgling steps into Domhood. What she isn't prepared for, is exactly what that means or how to separate her growing romantic feelings from the possessive, domineering ones. When things start going wrong in her professional life, it's unclear who Sam can really turn to for help. Does she follow her heart, or her head? It seems every decision she makes leads to pain for someone else. Only time will tell when her own life ends up on the line. Roulette will sweep you up and take you on an adventure across the pages. Don't trust anyone, and be prepared to be left chomping at the bit for more when you reach the end. Don't miss Book Two of The Thomas Hunt Series, Blackjack: Wicked Game, available now.

Steamy, funny as hell, with twists and turns that will keep you guessing until the end. *****Explicit Escapes: ...simply amazing. I started the story thinking I was going to be reading about a hardcore Domme. In fact what I got was a regular woman who liked to have control and male submissives, with some kinky sex on the side. When you meet Thomas Hunt, her new male submissive, you instantly fall in love with his young boy charm. ...You will laugh, find joy, be scared, be skeptical, be sad, be turned on, and be happy through this adventure. This story was refreshing and I highly recommend you take the journey with Sam and Thomas as they figure out if a D/s situation can actually work as a real relationship. ***** kdbooks: a multi faceted story with layer upon layer of emotional pull, and a plot line filled with intrigue. And lets not forget about Thomas, it is set in Sin City, after all, and Thomas is certainly worth sinning for. If I had to place a bet on Roulette, Id go all in! ***** from Book Excursions Book Reviews: I love a strong and kick-ass female characterThomas is adorable; he completes Sam, in that where she lacks the ability to let go, he shows her how to relax and have fun. ... there is plenty of suspense that leaves you begging for the next story! read this story because this has very hot light BDSM scenes with a great surrounding storyline that is both balanced and well-written. I hope you will love it as much as I did. ***** iLoveAGoodBook: What an amazing debut book by an amazing author! Sam J.D. Hunt has proven she is a force to be reckoned with in the world of BDSM. ***** from Katrina: From the very first page you are always on your toes. It is full of intrigue, a little suspense and loads of hot, steamy, OMG-did-they-just-do-that sex. It is hot! Sam knows how to write a sex scene. Well, let me say, Sam knows how to write, period. Even though, the book is BDSM related, you dont see a lot of that in here. It is light...
