

Kellys Confessions (Hotwife Kelly Book 5)

Hi, my name is Kelly, and I am a slut. This is my confession. I lost a drinking game with my husband this weekend. Which I often do, but usually the penalty is to give him a blowjob, or not wear a bra when we go out for dinner, or something like that. This time, though, he said my penalty was that I had to write my confession of why I cant keep my panties on around men. Sigh. I guess this was a long time coming. (Coming! Ha-ha, get it!?) Ive never been able to say no, especially after Ive had a drink or two, or if a guy is especially persistent. Its just easier to say yes, and I like sex anyway, so what the hell. This has been true for my whole life, which isnt a big deal if youre single, but if you have a boyfriend its a problem. And if you have a husband, its a bigger problem. Luckily Rick is very tolerant of my weakness and sometimes I think he even loves me better because of it. So how did I become a slut? Read and find out Narrated by Kelly herself, with assistance from R.C. Curtis.
