

## Sweet Talk Me

The last person True Maybank expected to run into while picking up her wedding gown was country music superstar Harrison Gamble. Years ago, when they were small-town teens in Biscuit Creek, South Carolina, they shared a forbidden night of passion. Now that shes about to settle down, Trues love affair with the handsome crooner is a thing of the past. Or is it? Today hes rich, famous, and on every womans hot list. But back in the day, Harrison wasnt good enough for debutante True. Since then shes had her fair share of marital prospects, including the perfect Southern gentleman shes about to settle down with. Is Harrison the only one to realize the mistake Trues about to make? Can the society girl and the sexy singer make music together this time around? Contains mature themes.
