

The Tormentress and The Boss: Chastity and Forced Feminization

Kevin has a new job, in an office full of beautiful women. However when he gets caught with his trousers down, rather than a sacking he gets fitted with a Chastity Belt. That is where his troubles start...Samantha humiliates and dominates Kevin, all with the threat of ruining his career. He finds the orgasm denial frustrating, but develops a strong attraction for his co-worker, the beautiful HR manageress Alicia, who gets to give him a spanking during his interview day. Alicia has found a dark side of her personality awakened... But neither Kevin nor Alicia could be prepared for the terrible situation they find themselves in, or the dark secret of Fisher Creative. Will they ever free themselves from the clutches of the devious Samantha Fisher? Will Kevin ever get a release again? This 25,000 word novella contains elements of adult fetish themes involving female domination and forced feminization. Please only buy if this does not offend you.
