

Savage Angels: A Savage MC romance

SAVAGE ANGELS HONOR, LUST AND VIOLENCE, LOVE AND BITTER BETRAYAL Daddys good little girl Nikka is exactly how shes supposed to be, until she discovers what fun daddys bad little girl can have. Then she figures out that the bad boys had the keys to the funhouse. She thought she was ready for how bad these boys really are. She really isnt. Cox is the hot vice president of the local motorcycle club. He and Nikka are not meant to be together. Especially not when gang wars threaten him and Savage MC. Will Nikkas passion and need for thrills overtake her, and can she keep Cox from learning her own deadly secrets?

The first three Savage MC stories are re-mastered here, within the longer, harder, deeper tale for which they were originally intended. A version of this tale was formerly published as Riding Angel.
