

Savage Sword of Conan Volume 7

In The Savage Sword of Conan Volume 7, Conan faces brigands; magicians; gigantic mutated creatures; nameless, hideous demons; and a tenacious new foe - the disfigured, metal-clad Captain Sharaq. Some of Conan's most unusual and exciting adventures are reprinted here, including The Colossus of Shem, Demons of the Firelight-Parts One and Two, The Cave Dwellers, and others. These vicious tales are scripted by Michael Fleisher, Chris Claremont, and Bruce Jones, and drawn by some of The Savage Swords finest artistic contributors, like John Buscema, Ernie Chan, Alfredo Alcalá, Val Mayerik, and Joe Chiodo! * This volume, which collects The Savage Sword of Conan #72 to #84, also includes Conan covers, frontispieces, and pinups from each issue! * For the first time, these classic stories are being collected in a series of omnibus-style books, with over five hundred pages of sword-and-sorcery adventure in each volume-for the complete Conan collector!
