

Scandalously Pregnant! Bound by Her Lord (Historical Erotic Romance)

PREGNANCY, SCANDAL, AND DECADENT DESIRES! Its a new century of electric lights and cars, and the aristocracys world is opening. Innocent Rose never imagines the depraved desires of her Master until she hears his erotic verses. The inexperienced maid is ignorant about lust and Nature, but all of that is about to change. Lord Gladhill cant keep his eyes off her - not when shes everything he needs. The handsome poet knows seduction, and his skill quickly pulls her into his dizzying world of discipline and bondage. Making an heir for her Lord turns Roses life upside down, and not just in the ways she expects. Will she survive the scandals and schemes that come with secret pleasure and pregnancy? Prepare for domination, erotic discovery, and forbidden romance from another age! An erotic romance novelette of over 12,000 words.
