

Anna Karenina - Emoji Edition (Annotated & Illustrated): Jonki Monkey Networks Emoji Assist Edition

Self described by the author of as a flawless as a work of art- Time magazine ranked it in the The Top Ten (in 2007) and declared that Anna Karenina was the greatest novel ever written. This classic follows the parallel stories of married socialite Anna Karenina and country landowner Konstantin Levin. Anna falls in love with an affluent count and finds herself ostracized by society. Meanwhile Levins story documents rural difficulties with Levins estate, marriage and personal life. Together the stories illustrate the Russian feudal system, gender roles and morality. This is a must read for anyone who enjoys classic world renowned literature. Emoji Assist Edition adds graphics of emotional states Books next to paragraphs and dialogue. This derivative work of the classical novel uses several linguistic metrics to enhance the readers experience. It also provides a new and unique experience when reading or re-reading this beloved classic. While we preserve the original text- we strive to provide you with the highest quality linguistic analysis of emotional states implied by this classical work. Thousands of hours have been put into research and development of the software required to create this edition. Jonki Monkey Networks hope you find our annotated illustrations entertaining and enlightening.
