

Thor: Gods On Earth (Thor (1998-2004))

Collects Thor (1998) #51-58, Iron Man (1998) #64, Avengers (1998) #63. After Odins death, the power and throne of Asgard were inherited by his son--Thor. For years, he lived on Earth as protector, champion and Avenger. Having lived a mortals life, Earths well-being was of paramount importance to Thor. But his ascension interfered with that mission. Asgards interests forced him to ignore Earth. So using a power only the greatest of gods might possess, Asgards liege transported Asgard to Earth. There does the conflict begin...
