

## Betrayal: A Bella Terra Deception Novel (Bella Terra Deception/Scarlet Deception Series Book 3)

Two powerful families, a priceless bottle of wine, and a precious pink diamond lost for three generations collide in this suspenseful contemporary romance series from New York Times bestselling author Christina Dodd...At nineteen, Noah Di Luca was Bella Terras golden boy, handsome, confident, and untouched by the shadows that tormented his brothers...or so it seems. Driven by ambition, beautiful teenage Penelope Alonso fought her way out of the ghettos. During one hot summer, they came together in the sweetness of first love...until his past reared its ugly head and Noah walked away. Nine years later, Penelope returns, never imagining she'd see Noah or that one glance would wake their fiery passion. As peril builds around them, Penelope has one choice: to survive, she must once again trust the man who betrayed her. Even with terror stalking through Bella Terras streets, love may be the most dangerous choice of all. Customers who like books by Nora Roberts and Julie Garwood will enjoy this story.
