

Awakening Volume 1

The once peaceful city of Park Falls has been tainted by a series of gruesome murders and missing persons. Cynthia Ford, known as the town crazy, finds retired police detective Derrick Peters and relates to him her belief about what's going on in town. Her explanation - Zombies! Unable to ignore Cynthia's information, though not sharing her beliefs, Derrick and others in the town explore the mystery as weeks turn to months and the death toll rises. Follow the first half of Park Falls year-long struggle for answers in this collected edition of the first five issues of the Archaia existential horror series.
