

Winter Bride (Stone Mountain, Texas)

Sweet western historical romance of 60,000 words by bestselling author Caroline Clemmons is a stand-alone novel of the Stone Mountain Texas series and includes murder, danger, and adventure. When Kendra Murdochs brother in law murders her sister, she takes charge of her nephew and two nieces. Fearing the man plans the same fate for her, she seeks shelter in Radford Crossing where she opens a cafe to support her small family. Determined to be self-sufficient, Kendra shuns all advances from the handsome sheriff as danger hangs heavily over her head. Butch Parrish battled a snowstorm and a killer to rescue Kendra and the children. Hell do whatever is necessary to protect the independent young woman who rekindles sensations he hoped were dead long ago. Protecting her, dealing with the town gossips and investigating a stagecoach robbery, Butch has a battle on his hands.
