

Brik #2

Drew is adjusting back into life after the suspicious death of his beloved grandfather, and hes not happy about some of the new developments. His nemesis Johnny is hanging around his crush, the Russian gangsters responsible for his grandfathers death are lurking, and now his mom is considering a move across the country away from Yonkers. The local Kabbalist Sera finally takes pity on Drew and translates the mystical instructions for creating the supernatural golem from his grandfathers tattoo, but even with the information at his fingertips can Drew manage to bring the dark avenger to life? Should he? This tale of family, tradition, power and morality continues from writers Adam Glass (Suicide Squad, TVs Supernatural) & Mike Benson (Deadpool, Moon Knight), amazing new illustrator Harwinder Singh, and colorist Gonzalo Duarte (The Bunker, Big Trouble in Little China).
