

Sexual Healing: A Novel

Are you ready for the heat? Two of the hottest erotica authors team up to deliver a sensually heated tome of dangerous seduction and sinful desire, where lust, lies, and forbidden pleasures lure you to the edge of your seats, leaving you hanging on until the last steamy page. Smooth-talking, twenty-nine-year-old Cruze Fontaine is tall, dark, and dreamy-eyed. Chiseled to perfection, the six-foot-four self-made millionaire is every woman's dream. With a reputation of giving toe-curling orgasms, this sex addict has a personal harem of vixens at his fingertips to satisfy his sexual appetite. But, after all the sweet nothings have been whispered and the shuddering climaxes are over, the salacious playboy finds himself yearning for something more. But what happens when fate and wanton lust lands him in bed with someone just as emotionally detached and cunning as he? Meet thirty-two-year-old Arabia Knight. Runway ready and always fabulous, this beauty knows that the way to a man's wallet is through his libido. And this well-kept, materialistic diva is no stranger to turning on the charm, then luring her next big score into her web of seduction since the bigger the bank account, the greater the rewards. The problem is, none of her middle-aged, wealthy benefactors fulfill her erotic yearnings, leaving her starved for someone with the sexual prowess she craves. But, as the saying goes: Be careful what you wish for... And Arabia gets more than she could have ever imagined after a chance encounter with the enigmatic Cruze Fontaine. One night of animalistic pleasure unleashes her deepest, darkest desires, and sets off a chain of fiery events that leave them both breathless. With each having something to prove and everything to lose, Cruze and Arabia fight to defy the urgings of their hearts. But as temperatures rise and desires ignite, the two lovers quickly find themselves unraveling with want, and both learn that complete surrender can lead to

unexpected love.
