

Getting Wet at the Beach (Ebony Ecstasy Book 3)

Carly has had a tough week, and even her vacation cant quite snap her out of her funk. But when she sees, the large, African god standing before her she can think of many ways to take her mind off her troubles and if he has his way, she is going to try them all. FROM THE BOOK: I know what I want then, he whispered as he pulling her against him. Her hands instinctively flew against his chest in surprise, feeling every inch of hard muscle under her fingers. He smiled down at her as she looked up at him and moved his lips close to hers. His mouth came down softly against her lips, his tongue running across them, a silent request that she obeyed. Her mouth parted in response and his tongue slid in, his sensuous motions sending thrills through her as he held her close against him. When he released his hold on her she was breathless. She felt like her body was on fire and all she wanted to do was feel him again in her arms, his skin against hers, his lips devouring her.
