Footsteps in The Dark Partners in Crime 3
By Josh Lanyon & Sarah Black
Something Bloody Espionage was always a game, but now British spy Mark Hardwicke wants to retire and settle down with ex-lover Dr. Stephen Thorpe -- if Stephen will have him. Unfortunately, Stephen has other plans -- and so do the terrorists who want Mark dead. Murder At Black Dog Springs Code-talker Logan Kee returns to his home on the Navajo Reservation from the battlefields of Saipan. But a new battle is waiting for him. Uranium mining has begun within the four sacred mountains. When the old hand-trembler dies at Black Dog Springs, rumors fly that Leetso, the yellow monster, has been set free to walk the land.
