

# Writers United For All Families: Seventeen Readings on Love and Liberty

In one of the most remarkable author readings ever held, seventeen award-winning authors wrote and read original short works on why everyone from liberals to libertarians should oppose restriction of gay marriage. The event was so special, and produced so many sparkling and varying perspectives, that the writers were asked to collect their works in a volume to share. This collection of original poems and essays includes works by Lois West Duffy \* Jacque Fletcher \* Michael Hall \* Nor Hall \* Patricia Hampl \* Greg Hewett \* Marya Hornbacher \* Kathryn Kysar \* Jim Lenfestey \* Jim Moore \* Darby Nelson \* Shawn Lawrence Otto \* John Reimringer \* Kate St Vincent Vogl \* Kurtis Scaletta \* Don Shelby \* Faith Sullivan \* RD Zimmerman. Edited by Shawn Lawrence Otto. Profits from sales are donated to efforts supporting marriage equality.
