Secret Olga was happily living out her childhood as a young girl in The Soviet Union, just before the start of the second World War. She was in love with a young military boy, Slavik. One day, after the two lovers meet and share a kiss, Olga's mother takes Olga and leaves for Ukraine, seemingly without reason. But, unknown to Olga, her mother is hiding a secret from her daughter. Eleven years later, Olga is going to discover just what that secret is. All of the characters in this collection of erotica are over the age of 21.
