

Silent in the Grave (A Lady Julia Grey Mystery)

Return to the beginning of Deanna Raybourns adored Lady Julia Greys Victorian mystery series, and be carried off by adventure. Let the wicked be ashamed, and let them be silent in the grave. These ominous words are the last threat that the darling of London society, Sir Edward Grey, receives from his killer. Before he can show them to Nicholas Brisbane, the private inquiry agent he has retained for his protection, Sir Edward collapses and dies at his London home, in the presence of his wife, Julia, and a roomful of dinner guests. Julia is outraged when Brisbane visits and suggests that Sir Edward has been murdered. It is a reaction she comes to regret when she discovers the damning paper for herself, and realizes the truth. Determined to bring her husbands murderer to justice, Julia engages the enigmatic Brisbane to help her investigate Edwards demise, following a trail of clues that lead her to even more unpleasant truths, and ever closer to a killer who waits expectantly for her arrival.
