

Two Masters for Samantha 2: In Their Hearts [Awakenings 7] (Siren Publishing Menage Amour)

[Menage Amour: Erotic Consensual BDSM Menage a Trois Romance, M/F/M, spanking, cropping, flogging, sensation play, sex toys, HEA] Focused on work, Alexei and Stefano Morozov forget about Samantha Spencers biggest art showing. Shes tired of coming in second on their priority list, so she moves to the island resort they bought for her and invites them to follow. Its not feasible for Lex and Stef to run Morozov Industries from a tropical island, but they recognize the wake-up call Samantha has delivered. They take some time off, fly to Sanctuary, and spend a few days romancing their submissive. Samantha is in heaven as she explores pony play with Lex and salsa dancing with Stef, and business decisions the brothers make now include consideration of her growing popularity as an artist and her responsibilities as a quarter-owner of their new resort. When Lex receives some surprising health news, it forces the brothers to make some hard decisions. Will Samanthas bliss last? ** A Siren Erotic Romance
