

Highland Warrior Woman (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Historical Menage a Quatre Romance, M/F/M/M, spanking, HEA] Maeghan Fraser has just bartered her woven cloth for food and is kidnapped from the market by the evil MacLeod Laird and his commander. She puts up a fight and manages to escape, only to fall into the clutches of the Campbell clan. Laird Calum Campbell and his brothers, Ewan and Hamish, stumble upon the battered and bruised angel in the forest. They take her back to their castle knowing she is the lass they have been waiting for. The three Campbell brothers declare their intent to wed the angelic-looking Maeghan and don't care about the rumors of her upbringing. They woo her into their beds, but they are so used to giving orders they aren't quite sure how to capture her heart. Danger from within threatens their Maeghan's life, and even though the Campbells vow to protect her, sometimes a woman has to protect herself. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
