

Skeleton Bayou

Savannah Love is emotionally and physically battered but is determined to survive after escaping the hellish imprisonment imposed on her by her psychotic cop-husband. After seven months in hiding, she resurfaces at Mossy Oak, her ramshackle family home on a Louisiana bayou, and attempts to restart her life. The empty house provides shelter, but isn't the fortress she needs when her cruel ex comes calling. Mack O'Malley, former cop turned handyman, conflicted over a bad shoot on the job, comes to Savannah's rescue when the psychopath draws them into a deadly game of cat and mouse. Fearful of Mack at first, she soon discovers that beneath his steely exterior lies a resolute defender with a heart hungry for love. Will their alliance save them, or will they fall victim to the Legend of Skeleton Bayou?
