

Learning How To Be A Slave (Sci-Fi Erotica)

Adults 18+ only: This 4000 word novelette contains M/F and alien sexual scenes involving very untraditional sexual techniques, and other related themes. Learning How To Be A Slave, is a story about a young woman held captive on a large ship where she learns how to please others with her sexual slavery. A disembodied voice is the teacher as males of many species show her what it takes to survive on the ship as she travels the heavens, soon pushing her emotions deep within herself so she can survive.
