

Slipping into Farrah: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Slipping into Farrah was not my first choice for this book. But dont worry! This erotic story still features all the good stuff inside naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... When Dane slips into Farrahs bedroom each night, he seduces her with dreams of leaving her mom and running away together but tonight she is worried he wont make good on his promise. Soon, she feels him sliding under the sheets next to her slender body and he wants to slip her something shes never felt before. Now, his unprotected tip is lingering a little too close and Farrah may not be able to resist the idea of starting their own family so they can finally be together forever. J.C.
