

Forbidden Crush (A Stepbrother Romance)

The one thing she wants is forbidden... Curvy, 19-year-old, Mia Vasquez, is a conflicted young woman trying to find her way through love. If it isn't bad enough she has an illicit crush on a man whose off-limits, she also has sinful affections for a close female friend. But when a chance encounter and a simple misunderstanding reveals a dirty little secret, Mia's lustful feelings become infinitely more tangled. And now, what was once a hopeless infatuation has the potential to blossom into the passion of a lifetime. Is Mia brave enough to take a chance and follow an oh-so-taboo craving? Or will she play it safe and keep her hands to herself, wondering forever after what could have been?
