And while their chemistry is obvious, in the midst of so many sweeping changes to his life, is there really time for romance? *A Little More Convincing* is a 7,000 word poignant and touching romance. In the midst of the Revolutionary War, Abitha's gentle touch gives Nathaniel, an injured soldier, more comfort than he can express. When his affections become apparent, Abitha stops coming to see him. When Nathaniel finds her and asks why she stopped visiting him, Abitha confesses she's not the angel he imagines her to be. She has secrets. *Twice a Sinner*, is a 3,000 word historical romance that is both warm and erotic.
