

Soldiers of Pearl 1: Invasion of Hearts (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Menage Romance, M/F/M/M/M, spanking, HEA] Arabella and her family are on the run. Mother, sister, daughter, aunt, bread-winner, and Arabella is getting burnt out. Shes tired of showing off her body to get better tips, tired of using her martial arts skills to fend off aggressive men, and shes tired of always looking over her shoulder and having nothing to look forward to, and is barely surviving. Shes got a niece and nephew, a sister and mom to feed, protection to provide, and a leadership role that is taking its toll. A small inquiry, some helpful persistent women, the compassion of four retired military men, and a town filled with protectors, Arabella may just be able to save her family after all. Finding a second chance at a real life was never in the plan. Falling in love with four men who represent practically everything shes been running from could be resolution to her own demise. But only if she can trust them enough to let them. ** A Siren Erotic Romance
