Interview with the Authors Q - So what makes the Countermeasure Series special? A - Countermeasure combines the best of Romance, Adventure, and Suspense into one hot single series. We write real people, not characters into our books. They are true to life and flawed, also someone you feel you can connect to and invite for a coffee just to shoot the breeze. The series has two separate, yet connected sets of books. The novels develop the bulk of the mystery and adventure in the plot. The short stories and novellas develop the characters and bare the characters souls to

you. All of their dreams, disillusion, fears are exposed in the short stories. The short stories and Novellas are also what we call Romantica. They are stories portraying a day in the life of the characters after their I do. A mix between Romance and Erotica where you are the fly on the wall during the married couples intimate moments. If you enjoy high heat, spicy reads involving married couples, you got to the right series.
