

## Something Else To Smile About: More Encouragement and Inspiration for Lifes Ups and Downs

Humorous anecdotes, poignant encounters, and touching narratives breathe life into lessons on character, leaving a legacy, true greatness, personal integrity, and overcoming adversity. In *Something Else to Smile About*, Ziglar shares stories of: the country lawyer who won case after case by understanding his opponents point of view; mediocre college athletes who became legends in the professional ranks; a Catholic sister whose tough love motivates the chemically addicted to take personal responsibility; countless individuals who've learned that failure is an event, not a person. Whether you need a morning shot of ambition or a refreshing thought before a good night's sleep, *Something Else to Smile About* is a daily source of motivation and encouragement you'll turn to again and again and enthusiastically share with others.
