

Body and Soul (A Redemption story)

Genre: Multicultural Menage Series Note: Body and Soul is a standalone title with characters from Redemption: Stevens Salvation. Not everyone wants to be well liked, especially not Nichelle Turner. She's rather fond of her less than personable persona the small-minded folks of River Bend see. It allows her to fly under their radar and be as naughty as she wants to be with bad boy turned good guy, Terrance Walker. Terrance always had a special place in his heart for Nichelle. Her fiery temper turns him on as much as her sexy little body, but he's not the only one who's drawn to her. When Terrance's ex-partner, Alejandro Ortez, arrives in town, the adventurous duo soon discovers two's company but three's a whole lot of fun. Things are never as good as they seem. And no one knows better than Alejandro. He just can't understand how the two of them can be so open and willing to include him in their relationship. Although he enjoys sharing Nichelle with Terrance, he doesn't believe a relationship like theirs can last. He's willing to give his body but not his soul. Unfortunately for him, Nichelle wants it all. And what Nichelle wants, she gets. Publishers Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Bondage, domination/submission, exhibitionism, menage (m/f/m), spanking, voyeurism.
