

Special Edition Using Microsoft PowerPoint 97 (Using ... (Que))

Ques Special Edition Using Microsoft PowerPoint 97 shows you how to create impressive presentations and documents. This comprehensive book provides the reference you need to make your point. Build presentations-from the simple to the dramatic-that deliver your message powerfully with PowerPoint 97! Clear explanations and complete coverage combine to make this the best book you'll find on PowerPoint 97! Discover how to publish your presentations on the Internet and intranet, find tips for adding sound and video files to your presentations, incorporate charts and tales from other Office 97 applications, and use PowerPoint 97s AutoContent Wizard. Plus, you'll get up to speed quickly on features that enable you to create hypertext links to different parts of your presentation.
