

Spellbinding Images: A Grayscale Fantasy Coloring Book: Beginners Edition (Volume 2)

Discover how magical grayscale coloring can be with fantasy artist Nikki Burnettes second grayscale coloring book! The images in this book have been created from Nikkis original watercolor paintings. Color your way through a book filled with witches, mermaids, fairies and more and be amazed as they come to life when coloring over shades of grey! This is the Beginners Edition of the book that features darker grayscale images. This book is recommended for colorists who would like more assistance with shading. You will find that you have to add very little shading or none at all, yet the image will still have a lot of depth and vibrancy. An Advanced Edition, which contains the same 20 images, with lighter levels of grayscale that allow for more flexibility and color variety is also available separately (click Nikki Burnette at the top of the product listing to see other available books)! Features: 20 Single-Sided Grayscale Images to Color (The Beginners Edition features darker grayscale images that assist more with shading) 2 miniature testers of each image in the book to experiment with color schemes and try out your materials 20 small colored images showing the artists color choices 4 pages of introduction text that explain the basics of grayscale coloring and offer tips, tricks and techniques to use inside the book Pages are formatted with full black borders that extend to the edge of the page to help create a clean line while coloring The paper is 8.5x11 and is a smooth, 60#, medium weight paper with a slight satin finish due to the printing process **Please note: These are grayscale images, not traditional black and white line art coloring pages. These are also some of the same characters that are included in Nikkis traditional coloring books, but instead these are grayscale images and will be a completely different coloring experience. Please see the back cover of the book for

all images included or see a video on Nikkis Author Page (Click Nikki Burnette at the top of the product listing).
