

## Spellbinding Images: A Fantasy Coloring Book (Volume 2)

Color your way through a world of fantasy, fairies, mermaids and more! This coloring book includes 20 different black and white illustrations by fantasy artist Nikki Burnette for you to enjoy. These coloring pages are adapted from Nikkis original watercolor paintings and range from simple to more complex, so whether you are just a beginner or a more advanced colorist, there is something for you. The simple pages allow you to just relax and enjoy coloring without getting overwhelmed with too many details. Attempt the more intricate images with detailed backgrounds when youre feeling up to a challenge. For more advanced colorists, consider experimenting with shading or adding your own backgrounds to add an extra level of difficulty. The coloring is what brings the black and white lines to life! To view all images included in the book see the back cover in the listing. Pages are single sided and depict beautiful fairies, graceful mermaids, seductive vampires, entrancing witches and more ready for you to color!
