

Surviving a Spiritual Mismatch in Marriage

Someone came between Lee and Leslie Strobel, threatening to shipwreck their marriage. No, it wasn't an old flame. It was Jesus Christ. Leslie's decision to become a follower of Jesus brought heated opposition from her skeptical husband. They began to experience conflict over a variety of issues, from finances to child-rearing. But over time, Leslie learned how to survive a spiritual mismatch. Today they're both Christians--and they want you to know that there is hope if you're a Christian married to a nonbeliever. In their intensely personal and practical book, they reveal:

- * Surprising insights into the thinking of non-Christian spouses
- * A dozen steps toward making the most of your mismatched marriage
- * Eight principles for reaching out to your partner with the gospel
- * Advice for raising your children in a spiritually mismatched home
- * How to pray for your spouse--plus a 30-day guide to get you started
- * What to do if you're both Christians but one lags behind spiritually
- * Advice for single Christians to avoid the pain of a mismatch
