

# Stars So Bright: Book of Constellations (Kiddie Edition): Planets and Solar System for Kids (Childrens Astronomy & Space Books)

Its always a pleasant and calming feeling to look up at stars. But you can turn that feeling into one of learning through this picture book of constellations. Here, your child will be trained basic astronomy, starting off with the identification of star patterns dominant in the night sky. Constellations is an exciting subject to tackle, and this book makes it twice as fun!
