While working in his position as a Lab Assistant Ricks co-workers switch his drink for a concoction that gives people super powers. Ricks body changes and his love juice now has the ability to give super powers to anyone when havng sex. Ricks roommates, Nikita and Dolly, are the first subjects on a night when they decide to act out some items from their sexual bucket lists on Rick. Now all three have superpowers. Unfortunately, one of them is not acting very responsibly with their new power. Nikita and Dolly are discussing their respective superhero costumes when the subject of Rick comes up. Apparently, Rick is now a man about town hooking up with everyone and everything giving everyone he has sex with superpowers. Nikita and Dolly decide that draining Rick is the best way to keep his magic rod from making any more superheroes. Another threesome is in order with Nikita, dressed up as Mistress Orgasmia, ruining orgasm after orgasm. Bimbo Dolly participates making sure Rick is well satisfied in other ways. At the gym, Vance is working out setting a new PR with his buddy Charlie while Allison tries to get his attention. In the library, Dewy is walking between the stacks of books thinking about the last man she brought back to the library after closing for a little night reading. Nikita wants to go out on the town fighting crime as a superhero and convinces Rick to come along. Little do they know, but the librarian turns into the sexy crime fighting librarian Dewy Deci once the library closes. Vance is out fighting crime as his alter ego, Vigor, along with his sidekick Chum. Allison turns into Acrobatica, the limber thief. Mistress Orgasmia and Rick quickly realize they are not the only superheroes out fighting crime and that superheroes get quite horny when out at night in tight-fitting clothing. Everyone meets up with erotic hilarity ensuing in this naughty and EROTIC SUPERHERO PARODY.

Nobody cares about the sidekick. Nobody.
Bonus speech from Vigor at the end! Plus Letters!!! You know Rick you cannot have sex with everyone. Someone is jealous. No, I will just have revenge sex later. When we are together? Yeah. Threesome! Rick, you have to exercise more self-control with your member. It gives people special powers. Please try to be more responsible in the future.
