

Still of the Night (Liars Game Series Book 3)

In the still of the night... Christmas is coming and Jenny Fitzgerald couldn't care less. She's getting divorced, and her life is in tatters. And just when she's thinking it couldn't possibly be worse, her husband is killed on the job, an undercover operation gone bad. In the midst of her grief, Jenny is confronted with a killer. A hunter who will stop at nothing to see her dead... Award-winning author Dee Davis's holiday romantic suspense novella is re-released with a new epilogue!
