

Dylans Witch (supernatural bonds) (Volume 10)

Book 10 in the Supernatural Bonds series. One by one his coworkers have found love, but homicide detective Dylan Archer has no plans to retire his bachelor status. A past transgression has proven he's not the commitment type. Yet even his job, and his current case tracking a potential serial killer, can't take his mind off Seraphine. He burns for the beautiful witch, and when the case takes him to her door, long-denied emotions erupt in a conflagration of lust. She's his heartmate, whether he believes it or not. But to claim the future she represents, Dylan needs to confront his past. Quickly. Time is running out. He's not the only one who wants Seraphine; the sultry witch is now in the killers' sights.
