

The Buckle Bunnies Series Boxed Set (Volume 1)

Authors Note: WARNING!THE BUCKLE BUNNIES SERIES is a collection of the complete sexy stories about hot, hunky rodeo riders and the women who cant get enough of them. It contains menage situations, erotic spankings, roping and riding!This ride lasts a lot longer than eight seconds.RIDE OF HER LIFEBarrel rider Daisy Hollins has run into bronc riders Sawyer Jones and Beau Monroe quite a few times on the rodeo circuit. Shes flirted with them, but things have never gone any further than that. However, when she runs into the two hot cowboys in the hotel bar at the Rodeo Finals in Las Vegas, theres a different vibe in the air. When the flirting starts this time, it doesnt stop, and Daisy goes upstairs with both of them for a completely different kind of rodeo ride.TEAM ROPINGDallas OShea cant help but notice the two hot rodeo riders who walk into her bar. Steer ropers Mack Carter and Ked Everett have set their sights on her, too, regardless of the fact that shes going to be mixing drinks all night. When closing time comes around, both men are still there. She cant choose between the two cowboys, so she tells them she wont sleep with either of them unless she sleeps with both of them. They agree - on one condition. Afterward, Dallas has to honestly tell them who was better in bed. Two hunky cowboys, each motivated to please her like shes never been pleased before? How can a woman lose in a situation like this? For Dallas, its going to be a night like shes never had, and for Mack and Ked, the night ends with the cowboys getting a chance to demonstrate two of their greatest talents - roping and riding.Yeehaw!RIDE EM HARDWhen Shawna Bartons best friend and barrel racer Britt Miles comes to town, she cant wait to have a girls night out. The two havent seen each other in years and the usually shy, reserved Shawna loves hearing about her friends exploits, especially her

most recent sexual encounter with handsome bull rider Clay Winters. Things take a sexy turn after they run into the man himself a little while later. Before Shawna knows it, she forgets about her inhibitions and is out there bumping and grinding on the dance floor with Britt and Clay. The night gets even more interesting when Clay suggests they take their little threesome back to his place for the kind of ride only a cowboy knows how to give a girl - or in this case, two of them!
