

The Succubus: (book seven of The Deal series)

Rachel and Nathaniel are going to have a child! Everyone is excited, until Rachel goes missing during a flight to her doctor in the Bay Area. And something sinister seems to be afoot at The Silo, as well... Nathaniel goes back to his roots and investigates to see who or what is the source of the problem. As the results are unbelievable. Names from the past, forgotten acquaintances and old ghosts come to weave a page turning thriller that reads a little differently than his other journals. And at the conclusion, he comes face to face with THE SUCCUBUS
