

Saved! - Backing Up with Macrium Reflect: Prepare for the worst - Recover from the inevitable

Confused by Backups? You're not alone. Saved! - Backing Up with Macrium Reflect will show you - step by step - how to backup your Windows computer using Macrium Reflect, a powerful professional and highly regarded backup program. - Never lose data again - Recover quickly from even the worst malware - Get back that file you accidentally deleted All this and more, ready for you to start backing up NOW! Backing Up - The Closest thing to a Silver Bullet Having a proper and recent backup can save you from just about anything. In fact, there's very little that a good backup can't rescue you from. Malware infection? Restore from a backup and it's gone. Bad software update? Restore from a backup and it's removed. Need that file you deleted last week? Restore it from a backup. I could go on singing the praises of backups - but hopefully by now you get the idea. You should backup. So why aren't you? Show You means SHOW YOU! Once you register your book (via a link that is only in the book) you'll get complimentary instant access to the companion web site that includes videos of the instructions presented in the book. The bonus videos might be the thing that helps it all make a little more sense. The videos include complete transcripts and are in both standard (640x360) and High Definition (1280x720) formats so you can choose which works better for you. All digital formats included PDF - for your computer or any device that can read PDFmobi - a backup copy for your Kindle, or Kindle reading software ePub - for a variety of other digital and ebook readers Once you get your copy simply use the link in the Register your book chapter to get access to all formats. Backing Up is Peace of Mind Once you have a backup in place you can rest easier, knowing that the stories you hear of people losing everything because of some random problem ... well, that won't be you! You'll be backed up. If you run into a

problem, you'll be able to use your backups to restore files, restore folders, even restore your entire system should you need to. And restore a little peace of mind while you're at it. Saved! - Backing Up with Macrium Reflect will show you how to set it all up.
