

## Overtime Play

For an entire year, Mira Perrin has worked as a file clerk for Jeremy Rain, a hot and hunky radio owner, in Atlanta. A man who doesn't even know she exists. When their paths cross one unexpected night at Mira's night job, Jeremy offers her a chance to move up in the company by serving as his personal assistant. Desperate to earn extra income, she agrees, only to discover that sometimes the sweetest pleasure can be found once she's off the clock...Jeremy Rain is shocked to discover Mira is his employee. And that she's gorgeous to boot. Though she's a little outspoken and wears ugly black pantsuits, he's intrigued by her bluntness and work ethic. He quickly discovers that his smokin' hot employee is full of surprises in and out of the office...But will these two have the courage to live for more than 9 to 5...or will they let love pass them by?
