

The Florida Nursing Home Abuse Handbook: Ways to Recognize & Prevent Abuse and Neglect

With all the horror stories of nursing home abuse, you knew that the challenge you had was to find the right nursing home. The big question is, where do you start looking? How do you make the right decision on which nursing home is best for your loved one? Is there a way to be able to determine if the nursing home facility and staff are treating your loved one with care? The Florida Nursing Home Abuse Handbook: Ways to Recognize and Prevent Abuse and Neglect was written to help you make the right decision for your loved one in finding the best nursing home for his or her ongoing care. This book will address the tough questions: How can I prevent abuse? What are the red flags of abuse? What should I do if my family member is being abused? The Mallard Law Firm is experienced in nursing home abuse, assisted living facility abuse and personal injury cases. All of our clients receive personal attention from our team, from the initial client meeting all the way through to completion of the claim.
