[Siren LoveXtreme Forever: Erotic Paranormal Menage Romantic Suspense M/F/M/M/M/M, werewolves] Caught in the middle of a hostage situation, social worker Samantha Gray faces death to help a family in need. When she calls for help, the SWAT Commander and his team of four gorgeous men come to her rescue. These five handsome faces, sexy bodies, and take-charge personalities send her body into sexual turmoil, but she has to resist. She fell in love once and caused her lovers death. She cant give in to temptation this time, no matter how desirable the brothers. The Valdamar brothers are a pack of Alphas hired by the government to keep the peace. They discover their mate, but she refuses to reciprocate their advances. As trouble continues to find her, they lose their patience and decide to take what is theirs and shield her from further harm in the one place she resists-their arms. Note: This book contains physical abuse of the heroine by the villain. ** Note: Each book in The Men of Five-0 collection is a stand-alone and can be read out of sequence. ** A Siren Erotic Romance
