

Paying His Price: A BDSM Novella

Annes got a good thing going with her boyfriend Tony, but she wants more more adventure, more excitement, more bone-jarring ecstasy. The only thing standing in her way? Tony. Tony is sexy as hell and he loves her dearly, but doesnt have one exciting bone in his body. Their relationship is good, and things are fine in the bedroom. They just arent soul-shattering, not the way Anne imagines that they could be if given the chance. Its time to shake things up, and Anne has the perfect plan. Well, almost. She underestimated Tonys imagination, and she underestimated his ability to drive her absolutely crazy with need. She has no idea whats going to happen next, but its not going to be boring! This erotic novella contains material for adults only. BDSM, multiple partners, and lots of steamy scenes as Anne learns about true love and obedience at the hands of a master! Category: Kindle Erotica Length: 30,000 words
