

Tables Turned 3: All Tied Up (BDSM Erotica)

This is PART 3 of the domination/submission story TABLES TURNEDPART 1: Annie just wants to try a threesome, and when she tricks her boyfriend into participating, shes thrilled! He agrees - reluctantly. Or so it seems.However, on the night of the event, he plays a few tricks of his own, and Annie finds herself in a very compromising position...namely, tied to the kitchen table! Tony has hijacked her erotic desire and replaced it with his own - he wants to play out his own domination/submission fantasies, and turnabout is fair play, after all. The problem is - hes brought along a buddy!PART 2: Anne is becoming comfortable with her role as a sex toy, until Tony and Bobby decide to invite a stranger into their little game. Confused and apprehensive, Anne had no idea who this guy is or what he might be up to, but he certainly brings some new ideas to the table! Part 3: Annie is exhausted, but happy. Shes settled into her week nicely with Tony, Bobby, and Jack and shes down to her last day of being Tonys submissive plaything. He has one final surprise for her though - one that will plunge her into whole new territory and prove that he knows her better than she knows herself.*This story (10,000 wds.) is part three in the Tables Turned Trilogy.
