

# The Mans a Werewolf (Paranormal Taboo Erotica) (The Werewolf Household Book 1)

This story contains explicit sexual content between a young woman and a surprising werewolf very close to her and is thus intended for mature audiences only, I've dreamed about you a long time, Phil. I can't stop thinking about you. The way you look, the way you talk--so gruff, so direct, yet so quietly--the way you carry yourself, that quiet demeanor. You've been in my life so long, I should see you one way. And yet, I can't. And for that matter, you always disappear at night hunting. But I never hear guns go off. Why? I have to know. I'm going to follow you tonight. What will you show? What will happen? What will we do?
