What can I say Rory Ni Coileain combines male hotness and a fabulous sense of the unknown in her SoulShares series. I eagerly await every new release. Talk about being a page turner.. - Susan Mac Nicol, international best-selling author of Saving Alexander and Worth Keeping Tiernan Guaire was exiled from the Fae Realm a century and a half ago for his brothers murder. His soul torn in half, he lives by his vows never to trust, never to love. And if he can only be whole by finding and loving the human with the other half of his soul? Hes content to live broken and half-souled. Kevin Almsteads future, the career hes worked for as long as he can remember, has been taken away by a vote of the partners at his law firm. Chance brings him to Purgatory, the hottest all-male nightclub in Washington, D.C., to a meeting with a Fae, with long blond hair, ice-blue eyes, and a smile promising pleasures hes never dreamed of. But theres no such thing as chance. But Tiernan isnt the only one to find Kevin in Purgatory. The most ancient enemy of the Fae race sees in the handsome lawyer a way to destroy the world from which it, too, was exiled. And only the strength of a true SoulShare bond can keep it from what it seeks.
