

Sex in the Saddle: Extended & Uncensored (A Raw, Billionaire Cowboy Pregnancy Romance)

You asked for it, so Im giving it to you: An EXTENDED, RAW and UNCUT version of my wildly popular, Sex in the Saddle. Callie Gould needs a real man, not the wimpy, pampered metrosexuals populating New York City. Looking to get away from the hustle and bustle of city life, she schedules a two-week vacation at an upscale Arizona resort in the heart of the Sonoran Desert. Anticipating solitude, and quiet horse rides on the open range, she instead finds herself getting roped-down and tied-up by the kind of men one wont find in a big city. Hold on to your hat and prepare to get dirty, because the cowboys in this story like it rough and in every place but the bedroom!
