

Tame (Apprivoise Trio): A Standalone

This novel contains instalove/lust. Imagine if the television show Friends was on Skinemax. You would have Tame. Tame is Club Dishabille, Morphoses, and Force Majeure in one edition. How much do you think you can take? **DISHABILLE** Dishabille The state of being only partly or scantily clothed. Its the perfect name for Miranda Marchands nightclub. For her brother, Alexander Marchand, it is the perfect place to find women who can fulfill his every desire. While his kinks arent uncommon, his affections run too fast and too deep for the cautious and aloof. He has given up on finding the one who can embrace his impulsiveness. For Dahlia Warwick, Club Dishabille is the gateway to a sensuous new world. A world she craves. Dahlia meets with Miranda with a seemingly simple task: To help her find a man who would be patient enough to guide her through her submissive fantasies, but not dismiss her fears. Miranda knows that Dahlia is not one for play that doesnt involve her heart, and she knows only one man who could guide and teach her, to worship and to love her. Its a rapid awakening for both Alex and Dahlia, quickly laying trust and intimacy on the table. Club Dishabille spans the genre of romance and gives the readers the hearts and flowers they love and only the palest of pink bottoms. It is an erotic tale for those who arent looking for Cinderella or Prince Charming. It is a feast for those who want it a little bit...rougher. I wonder if I should take you apart slowly, bit by bit... **MORPHOSES** Morphoses is a story of transitions. Miranda Marchand, manager and proprietor to Club Dishabille, has a bit of a secret. Shes not ashamed, but shed rather not have to explain herself to men she might bring to her bed. A chance meeting in a secluded hallway with one Nicholas Jones, ex-husband of Dahlia Warwick, exposes her turgid secret. It transformed her opinion about future

possibilities. She wants Nick. She wants to see how far she can push him. She wants him on his knees... Nick cant get enough of her. While he indulges Miranda, he has his own transformation that takes him kicking and screaming into a functioning sexual relationship, and he learns to let go of deeply held guilt from his previous marriage. Morphoses is an epicurean adventure for those who are ready for a bit more than just a spanking and some erotically hot kink. Is this what you want? Yes. How hard? Until it hurts. FORCE MAJEURE Force Majeure takes us on a lustful journey of near obsession, past the normal niceties of sex and romance. We are treated with a tiny intense glimpse into the mind of Jefferson Rainier. A mind both intricate and simple. He knows the rules, but doesnt always seek to understand them. Hes a sexual savant, but his day job working in a tech field never earns him a second glance. With a little help from Alex and Dahlia, hes noticed for the first time by the woman who occupies his mind relentlessly. Evan Monroe is looking for more in her life, but is unconvinced there is such a thing. She is bored, and unnecessarily jaded. But, shell try anything once; twice if you begged. She is charmed by Jeffs smile, and entranced by his quirks that most everyone else in his life has refused to accept. Jeff is a force and she is more than happy to be consumed. Force Majeure tries to define love, but by the end you will learn that it is only the tip of the iceberg.
